WHY CHOOSE COUNTRY STYLE COOKERS LTD FOR YOUR RE-CONDITIONED AGA OR RAYBURN?

Reconditioned Agas and reconditioned Rayburn cookers provided by UK based Country Style Cookers. Between the staff here at Country Style Cookers we have over 50 years combined experience in the rebuilding and refurbishment of Aga and Rayburn Cookers. We are specialists in reconditioned Agas, reconditioned Rayburn cookers and cooker maintenance, cooker installations for reconditioned Aga Cookers or Rayburn cookers.

Most of the components for our reconditioned Aga cookers, cooker maintenance, cooker installations are replaced with new and are specially made for us and our cookers.

The majority of cast iron components such as the front, top ovens and barrels are carefully checked and re-used. If you're interested in reconditioned Agas cookers and reconditioned Rayburn cookers then please contact Country Style Cookers, who can help with cooker maintenance, cooker installations, cooker parts and spares, nationwide around the UK.

Interested in an electric Rayburn?

At Country style cookers we have the answer. A fully re-conditioned 13amp electric Rayburn (originally an oil fired model). These cookers can be installed almost anywhere, as long as the cooker is no more than 5 meters from an external wall. There is no need for a chimney or pre-fabricated chimney. No service costs and can be run on either the thermostat or in built mechanical timer. Running costs vary between £15 - £20 per week.
